THE OLD HICKORY STAMP COLLECTION

The history of Old Hickory is as unusual and complex as its namesake, President Andrew Jackson. The Hermitage Stamp, issued in 1956 as part of the Liberty Series, showcases the beautiful Greek revival mansion where Jackson and his wife Rachel frequently entertained guests at their home. It's rumored that a fire in the mid 1800's destroyed a secret distillery on the Hermitage grounds. Our Hermitage Reserve Rye is a tribute to the rich bourbon culture and its authentic American roots.
